

Superb Place in London

The Buckingham Hotel, London, UK

11/22/2018

Had stayed earlier in the summer for 5 nights. The two bedroom suites are class apart. Clean, Spacious and great Service. The place has a charm of its own. Stayed again for 4 nights in October and just found the place, as usually efficient and nice. Great place to stay when in London, Highly recommended. Will stay here whenever I am in London. Cheers and keep it up.
