

small room and tiny en-suite but friendly and helpful

The Kensington Hotel, London, UK

10/16/2018

Location is excellent - 4 minute walk from Earls Court tube station. Receptionists were friendly and helpful - got us to our room at 11am and looked after our suitcase after checkout while we went to the city. Twin room was small but was reasonably clean and had the basics. However ensuite was very small
