

FANTASTIC! WHAT A PLACE.

The Lost City Hotel, Dubai, UAE

Well firstly can I just say, to anyone who is wanting to stay at The Lost City and is reading reviews on Trip Advisor: TAKE NO NOTICE OF PEOPLE WHO DON'T RATE THIS HOTEL. My god, you would have to be seriously spoiled to say this hotel is not a 5 star! I have travelled all over the world and stayed in many 5 star hotels and this is the best hotel I have ever stayed in. Yes the alcohol is expensive (Dubai in general is like that) and I will admit that £6 for a bottle of beer is expensive, but the surroundings your drinking it in seem to take the pain away!!!. (Little tip for you, buy a couple of bottle of wine at your outbound airport to keep in your hotel room). Food is fantastic, buffet restaurant Saffron is the best hotel buffet i have ever ate in. The steakhouse is well worth the splurge! Staff at the hotel cant seem to do enough for you, and rooms were spotless. And to have a fantastic waterpark, free of charge on your doorstep is brilliant! All in all I had a fantastic holiday and would go back tomorrow if I could! One more thing, sitting out on the beach at night at Restaurant is brill! Great atmosphere and great music. Yes its expensive, but in this money orientated world, you get what you pay for!!!!!!!!!!
