The Lost City Hotel, Dubai, UAE

very difficult to express how fantastic this place is. The place is perfect, food fantastic, water park is great fun, just faultless. Only drawbacks - book half board otherwise it will be expensive. Yes the drinks etc can be expensive, but the only fix to that is to take plenty of money!! Also, taxi needed to get into town, only around £10 though so not too bad.Booking again for next May, we can't wait!!
